

GSLs Elementary Uniform Guidelines
2009-2010

Uniforms are mandatory for K-5 students. K-5 students must wear a uniform shirt with a logo on MWF. On TTH students in K-5 may wear a uniform shirt without a logo. We depend on you, our valued parents, to help our students adhere to the school uniform policy. Your support helps reinforce our school unity and helps us represent Good Shepherd Lutheran School in the community.

Please take a careful look at the uniform guidelines and note that all sweatshirts, sweaters, vests, and jackets in the classroom must be GSLs approved apparel and colors. Heavy jackets that are not uniform approved apparel, for very cold days, may be worn to and from school and on the playground but not in the classroom.

Important addition to uniform guidelines: students may wear **dark blue jeans (not frayed or ripped)**.

It is recommended that shirts, sweaters, sweatshirts, vests and jackets have the embroidered GSLs logo on their upper left side (over the heart).
