What is eScrip?

- Every time you shop at Safeway and other participating merchants (see list below) and use your club card, the merchant will donate a percent of your purchase to the school(s) of your choice.
- This is FREE money to the school at NO COST to you. Simply grocery shop as you normally do and when you use your club card, the store automatically gives our school a percentage of your purchase.
- All you have to do is fill out the attached form, and we will register your card for Good Shepherd. It's that easy!
- No one ever sees the purchases and it does not affect your club card discount.

How big of a difference does eScrip make?

- HUGE!
- In past years we have earned as much as \$11,000 in donations from Safeway and the other participating merchants. Think of all the thing wonderful things we can do with this money.
- Right now we only have **67%** of our GSLS families participating in eScrip. Please take time and fill out the form so we can maximize our earnings starting NOW.
- You can make a difference EVERY day, just by registering your card and shopping at Safeway.

Friends and Family Campaign

- This year we want to build on our past success by reaching out to friends and family. How many people do you know who shop at Safeway? Your co-workers? Your extended family? Your neighbors?
- This is free money, and if your friends and family aren't participating – this money is going to no one. Let's reach out and see how big is big!
- The merchants affiliated with eScrip are all over the United States; see the list below.
- How to do this? Simply email your friends/family, explain the program (you can paste portions of this form into an email), and have them send you their card number. You fill out the attached form. And start earning more money for our school!

Participating Merchants

- Safeway, Vons, Dominick's, Genuardi's, Adams, Tom Thumb, Randall's and Pavilions (all across the United States).
