

Dear Applicant:

Good Shepherd Lutheran School is indeed a welcoming place. From the morning greeting on to the afternoon goodbye, students feel accepted and valued. Our manageable size allows every student to be known, connected with and cared for on a daily basis. Following our guiding principles and mission, we are a family working together for the good of the whole with every member contributing his or her personal best.

The heart of Good Shepherd Lutheran School revolves around our outstanding faculty challenging our students to stretch themselves—to grow each and every day. Our aim is to help students build a solid foundation of academic and life skills so they can be positive contributors to the global community as well as successful students in high school and beyond.

Classes in Technology, Spanish, Art, Music PE and Drama further enrich our students' lives. Field trips enhance the classroom experience. Each year, fifth graders and middle school students partake in outdoor education adventures and 8th graders will culminate their study of United States History with a trip to Washington D.C.

Indeed, there is always a happy buzz of activity at Good Shepherd Lutheran School. I invite you to come for a visit to see for yourself the inspiring things happening on our campus. Come see what the buzz is all about and envision what you could add to our vibrant community.
