

Good Shepherd Lutheran School Yearly Field Trip Permission Form

The students at Good Shepherd Lutheran School will participate in several educational field trips each year. It is **mandatory** that we have a signed permission slip on file for each student before he/she is allowed to participate in any trip. Most field trips will be scheduled between the hours of 8:00AM and 3:00PM. Trips outside of the Marin County area may require an earlier departure and/or a later return. The cost of each trip will vary.

Your child's teacher will continue to send information and specifics as individual trips are planned. Thank you for your cooperation in this matter.

***NOTE:** Your signature on this form gives consent for your child to participate in all trips planned for his/her class. If the trip ends after the close of the school day and you are not here to pick up your child, he/she will be signed in to the extended care program.

Good Shepherd Lutheran School has my permission to allow my son/daughter,

Student's Name _____,

Grade _____,

to participate in the school field trips for the school year.
